

Mineral Adhesive Chain Oil

K-Supply

K-Supply Mineral Adhesive Chain Oil is a high-performance ready for use mineral oil based lubricant. It is most suitable for lubricating areas with high centrifugal loss, e.g. chains, open cogwheels. It offers high protection against wear and corrosion and has an excellent load carrying ability.

This product which has been tested and approved at the Komori Graphic Center-Europe guarantees a long service life and safe operation because of special inhibitors against ageing.

Benefits

- Exempt from PCB.
- Exempt from chlorine products.
- Can be disposed of as regular used oils.
- Long service life and safe operation.

Directions

For safety measurements, use hand and eye protection and wear protective clothing.

Use according to the viscosity prescriptions of the Komori press.

Specifications

Product name	K-Supply Mineral Adhesive	
ISO VG	220	
Viscosity at 25°C	548,1 mm ² /s	DIN 51 562
Viscosity at 40°C	221,3 mm ² /s	DIN 51 562
Viscosity at 110°C	19,4 mm ² /s	DIN 51 562
SHELL 4 Ball Welding load	> 2000N	DIN 51 757
Packaging	5 Ltr Can 4 x 5 Ltr Can per Box	

 **Directions for Use:**
